ABOUT US

We would like to introduce our company to you and offer our service to you.

Our aim is to provide you with the most innovative technology based, and personalised superior service available in the Security Industry, at extremely competitive prices.

We are using well trained and dependable guards and we as Management are visiting all sites on a very regular base, while the night shift Supervisor is doing site visits at least twice per night to all sites.

If you decide to give us an opportunity to make our services available to you, we want to always give you the assurance of our best service and that we are a local company.

Security factors faced by warehouses and factories are a complex issue and receive threats not only from the outside, but also from within. Jelane Enterprise's guards are trained to conduct diligent patrols around the target site and to locate any vulnerable areas along the perimeter. Regular checks are a necessity, which is why we provide a complete warehousing service aimed at reducing shrinkage, stock loss and theft.

Our guards are professionally trained to provide security at large and small events, including sports matches, concerts, conferences and parties. Whatever your guarding needs, you can trust Jelane Enterprise to provide a complete security solution tailored for you.

Jelane Security was formed in 2016 after Interactive Security has transferred all their sites in Mpumalanga to Mr. Alf Byleveldt who was employed at Interactive as their Regional Manager for 6 years.

In 2021 Mr. Byleveldt and Mr. Machete joint foresees and renamed Jelani Security to Jelane Enterprise.

The staff complement of your company is currently ± 100 employees and your offices situated at Portion 16 Old Farm Langverwacht Main Rd, Evander.

We trust that this meets with your approval and look forward to a mutually beneficial relationship. We assure you of our very best services and attention at all times. We have entered the market with one goal in mind: to compete on service and quality, thereby giving you peace of mind
